I hope people are opening their eyes to a long time but now exposed leftism in corporate america. Please don't be surprised since the people who run the fortune 500 companies were indoctrinated in the educational system including graduate business schools. So, it is now becoming more apparent especially in the blue cities and states.

Y'all need to make a list of hotels cancelling rooms so we know who to never give another dollar to.

And negative review-bomb them wherever you can. On Yelp, Expedia, Hotels.com, etc.

OP you need to tell us what hotel it was so other pedes don't place reservations there.

I will make a list of hotels canceling rooms and make a post about it.

Yes, tell us which hotel so that we all know at minimum not to waste our time attempting to book.

When we start to compile a list we need to out them on their social media pages too. We can use some of the woke jerkoff tactics without being retards about it.

My standard reply because I've stayed here and it's an easy metro ride into DC:

No reason, just that the hotel is closed the 4-6th

You may be able to find something near IAD or DCA, you *might* be able to take their (free?) airport shuttle and then take a ~\$5 bus to the nearest [Metro station](#) then Metro in. Alternatively, you might be able to find someone and hitch a ride.

Not sure though.
